

I am trying locate what I'd **only** now, and yes- I refer to only moment prior to now. But if all which we have **is** the fucking moment, does it really matter? Jk. Well- as it turns out to be, this piece which I strive to find the whereabouts of; well **IT TURNS OUT TO BE A FUCKING PRE-APOCALYPTIC PIECE.** I am, Enoch. And I have various of my good enthusiasts around also. I cannot say specifically. in geographical terms. Though Marduk; being one, well I'd spoken to on IRC, for example. And they provide their aid. Wherever possible. We **DO NOT CONTROL PEOPLE. WE ARE SANE. INTELLIGENT. LOVING.** Well- One of the same.
